Re: The corrected Application Papers(No. 10/662,466)

Dear Sir/Madam,

Happy new year !

In response to your letter dated on 12/09/2003, I had corrected the application papers according to your requirement. The line spacing in the substitute paper is 1 1/2 now. Please find the following items within this letter:

- | | |
|-----------------------------|----------|
| • Descriptions | 8 pages; |
| • Claims | 4 pages; |
| • Abstract | 1 pages; |
| • A copy of Official Notice | 2 pages; |

On the other hand, I would like to keep the application be published as per the normal publication schedule.

Best regards,

Beizhan Liu(Robert)

Manager

Dragon Eye System Company
